

REMARKS

In the Notice of Non-Compliant Amendment, the Examiner objects to the claim amendments filed by the Applicants on November 8, 2010 for failing to comply with 37 CFR 1.121. The Examiner indicated that a complete listing of all the claims in ascending numerical order is not present and in particular, claim 13 is missing. Applicants hereby submit amendments providing a complete listing of claims 1-48, in replacement of the amendments filed on November 8, 2010. Applicants submit that the present amendments are in compliance with 37 CFR 1.121.

CONCLUSION

Applicants believe that the amendments submitted herewith are in compliance with 37 CFR 1.121, and that the Examiner's objection has been adequately addressed. Applicants respectfully request the Examiner to withdraw the Notice of Non-Compliant Amendment.

Should the Examiner feel that a telephone conference with Applicants' representative would expedite prosecution of this application, the Examiner is urged to contact the Applicants' representative at the telephone number identified below.

Respectfully submitted,
